Activity 03 - Artisan Bakery Product Series: Tone, Colour, and Consistency

Course: Mastering Adobe Lightroom for Photo Editing Course Code: TGS-2022015367 Alignment: K1, K4, K5, A2, A3 Version: v12.0 | 19 August 2026

Purpose

Apply Lightroom and digital-image production decisions to a realistic client scenario and produce evidence that meets explicit acceptance criteria.

Folder contents

- source-images/ - authorised practice photographs
- scenario-and-role-briefs.pdf - client scenario and stakeholder perspectives
- detailed-workflow.pdf - click-by-click production procedure
- worksheet.pdf - questions and evidence workspace
- acceptance-checklist.pdf - final quality gate

Evidence to submit

- Before/after hero comparison
- Reusable global preset
- Consistent edited image set
- Export proof and evaluation note

Keep edited derivatives in a separate evidence/ folder. Never overwrite the supplied source images.
